Mr. D [REDACTED] W [REDACTED],
Director of Risk and Safety,
The Priory Group,
Floor 5,
80 Hammersmith Road,
London,
W14 8UD.

Dear Mr W [REDACTED],

Further to your neglectful, prejudice and discriminatory letter of December 20th, 2016. I duly note such has assisted in the continuation of the recurring and ongoing inadequate care and support provided to my brother, by your organisation and colleagues.

The peremptory restriction imposed by you, and blacklisting of the email address used to communicate any formal concern or request on behalf of my brother and his family to your organisation, and the interference with communications is not only an indignity but a breach of our statutory rights.

In consideration of the evidence, some of which is now publically available. I regard you as a particular individual who has wilfully ignored the inadequate care and support provided to my vulnerable brother, not only having assisted in denying him of his statutory rights but also of having neglected a mandatory right for a considerable length of time, and further, disregarding the incidents of misuse of medication. I firmly believe organisational or institutional abuse is supported with your assistance, as such I shall seek redress.

This letter is a copy of the attachment in the email sent on 29th April 2017

Sincerely

[REDACTED]

C [REDACTED] B [REDACTED]
